82s to 100s	Do	...	...	35 8 0	44 2 0

NOTE.—(a) The minimum count lea strength product for 4s, 6s, 8s, 10s, and 12s, yarn spun on mule spindles shall be 600.

(b) In the case of yarn the rounding off of the retail prices should be to the lower half anna, that is 11·99 pies should be rounded off to 6 pies and 5·99 pies will have to be omitted altogether.

1. All prices are for grey yarn of full count (subject to standard tolerance in count) and of the minimum count lea strength product given in column 3, full reeling in hanks packed in 10s lbs. bundles and in bales/cases.

2. Odd counts of yarn are not permitted for sale.

3. For folded yarns over two-fold add 1 anna per ply to the two-fold prices indicated.

4. For other counts (exclusive of fractional counts) the ex-factory price shall be the price specified above, for the count next below, increased by:—

Three annas per count in the case of 32s to 60s (carded).
Four annas per count in the case of 60s to 80s (combed).
Five annas per count in the case of 80s to 100s (combed).

5. Cheesing and/or coning charges including case packing ... Rs. 2-0-0 per 10 lbs. up to and including 30s.
Rs. 3-0-0 per 10 lbs. over 30s.

6. Yarn supplied on beams may be charged by the supplying manufacturer at the following maximum prices:—

(a) Up to and including 20s ... At 2 annas per lb. above the ex-mill price per bundle as notified.

(b) Over 20s and up to and including 40s ... ... At 3 annas per lb. above the ex-mill price per bundle as notified.

(c) Over 40s ... ... At 4 annas per lb. above the ex-mill price per bundle as notified.

(d) Yarn delivered by a manufacturer on bobbins or in any other form will not be charged anything higher than the ceiling price or ex-mill price whichever is lower.

7. Mills who obtain not less than 75 per cent of their motive power by burning coal and/or fuel oil in their boilers will be permitted to increase the above prices of grey yarn by 2½ per cent as compensatory coal and/or fuel oil allowance rounding off the final price to the nearest half anna.

8. *Packing.*—The above yarn prices are inclusive of charges for standard make up and packing, in securely packed bales as under, starting from the innermost layer.

One layer of paper, kraft, wrapping (inner) or fents.
One layer of light hessian, fents or chatai (palm leaf matting).
One layer of paper, packing, waterproof, or one layer of Alkathene film.
One layer of tarpaulin (only during monsoon months.
One layer of heavy or medium hessian (outer).

NOTE.—(i) Where tarpaulin is not readily available an additional layer of waterproof paper can be used.

(ii) Instead of two layers, one of light hessian, fents or chatai or palm leaf matting and the other of waterproof packing paper or Alkathene film, a single layer of hessian lined with Alkathene may be used.

BOMBAY,
Dated 30th June 1952.

Controller of Civil Supplies.

OFFICE OF THE JOINT DIRECTOR OF AGRICULTURE AND EXTENSION SERVICES IN MYSORE, BANGALORE.

Notification.

Application for Training in Rural Extension Work

At the Training Centre, Visvesvaraya Canal Farm, Mandya, Mysore State, under the Training *cum* Development Project.

1. Applications in duplicate in the attached form will be received in the Office of the Joint Director of Agriculture and Extension Service in Mysore, Bangalore, G. 35/5B. Crescent Road, Highgrounds, Bangalore 1, not later than Wednesday, 23rd July 1952, from candidates desirous of undergoing training in Village Agricultural Extension Work at the Training Centre, Visvesvaraya Canal Farm, Mandya, Mysore State.

2. The Training will begin about 1st September 1952 and extend over a period of six months.

3. About 27 candidates with the required qualifications and being Mysoreans by birth or domicile will be selected for the training, in the first instance.

4. The applicant should preferably be a graduate of an Agricultural College or a diplomate of an Agricultural School besides having rural background and practical experience of Agriculture. Qualified persons in Government Service may also apply through the proper channels.

5. Persons in Government service will be paid a stipend of Rs. 50 per month and pre-service trainees will be paid a stipend of Rs. 100 per month. Facilities for lodging and boarding will be provided at the Centre and a Hostel will be arranged to be run by the trainees themselves at the trainees' own cost.

6. The Training Centre will impart practical training in rural extension work relating principally to improved methods of agriculture and animal husbandry and allied subjects and a basic knowledge of sanitation, co-operation, adult education and methods of propaganda and publicity to co-ordinate and promote agricultural production.

7. The training is expected to last for a period of six months and includes a tight schedule of activities oriented to study methods of approach to rural problems, in particular to increase agricultural production and upgrade rural living. The trainees will spend a major part of their time at work in selected villages.

8. At the end of the training, trainees may be selected for employment as Village Extension Officers in the Urban *cum* Rural Development Project.

9. Applicants should be prepared to be present before the Selection Board for interview at their own cost. The exact date, place and time of interview will be intimated one week in advance. A stamped addressed envelop should be enclosed with each application.

10. The applications can be had at the Office of the Joint Director of Agriculture and Extension Service, No. G. 35/B Crescent Road, Highgrounds, Bangalore 1. A stamped addressed envelop should accompany requests by post.

B. T. NARAYANAN,
Joint Director.
